

Musical retreat in the lovely Villa la Sueca in Andalusia

**MUSIC - SINGING - NEW SKILLS - NEW FRIENDS
LIGHT AND SUN - BEAUTIFUL SURROUNDINGS**

Join this workshop in the beautiful Villa la Sueca with the Swedish host couple, musician Benna Sörman and artist Anette Rindebratt, in a magnificent setting at the top of the small, charming town of Nerja, 60 km east from Malaga.

A retreat focused on improving your singing in Andalusia in Southern Spain.

Singers, who would like to improve their singing skills, are invited to this inspiring retreat with vocal technique every day in a wonderful climate.

If you are a small group/team of people who want to improve themselves in singing technique while enjoying a bit of Andalusia, contact me and let's talk about the possibilities. For example, a guest guitar teacher can be arranged so that singing and guitar are combined. Or maybe you already play an instrument but would like to use your voice more. The possibilities are many. So, skip the yoga journey and come on a beautiful song journey instead. 😊

We are a maximum of 12 participants.

Facilitated by Charlotte Wolfsberg (vocal)

The retreat focuses on you developing your singing skills

Vocally we will investigate issues like:

- why it can be difficult to reach higher/lower notes
- why you may suffer from hoarseness
- why certain parts of a song are more difficult than others
- why you do not have enough power in your voice, or you feel you are running out of air

We use tools as modes, support, and sound color to solve your technical problems. I guide you in the techniques, so you can make the song sound like you want it to, while singing it in a healthy way.

There will also be solo time in the smaller workshops, meeting your wishes specifically.

On the last evening of the course, you will do a concert.

During the entire retreat, there will be great opportunities to hang out, practice, jump in the pool or to explore the local area and taste Nerja's delicious tapas and cava.

Delicious food will be served at all meals, as well as access to fresh fruit, water, coffee, and tea throughout the day.

If you think this sounds amazing, join us for a 5-day retreat full of music and singing, and make new musical friends and colleagues.

The price includes: Tuition (approx. 5 hours daily), accommodation in a double room with private bathroom (extra fee for single room with private bathroom), all meals.

Not included: Flight or other transport to Villa la Suela. Transfer from the airport (Malaga AGP) to Villa la Suela in Nerja by taxi costs approx. €70, and carpooling can of course be arranged.
